WINNERS OF 'GOLF CLUB OF THE YEAR'

On the 10th November, The Warwickshire Golf & Country Club was awarded 'Golf Club of the Year' at the annual awards dinner held at Manchester's Palace Hotel and organised by Club Mirror magazine, owner and organiser of The Club Awards.

Judge's comment "This club is part of The Club Company and is well known to the judges having hosted a Clubhouse Awards dinner for sister title Clubhouse a couple of years ago. It has 6,000 members and is active in the local community. Four golf pros go out to 25 local schools to generate interest in golf, and the Tri Golf Programme is helping to increase junior activity. The club holds open days and weekends encouraging non-golfers to 'have a go @ golf'. And why wouldn't you? The club has immaculate facilities including two championship courses, a friendly clubhouse, banqueting facilities and a health and leisure centre with two swimming pools. It also raises over £50k a year for charity."

In receiving the Award, Simon Jones, General Manager of The Warwickshire commented "We would like to thank the judges for their votes and feedback. Our dedication at the club in providing a great experience to our Members and Visitors has been recognized by this industry award".
